EXCLUSIONS/CONSIDERATIONS:

- While we have enough crockery/glassware for in-house guests, it is not all uniform for formal events. Items for your event's additional guests are not included.
- Decorations and set up of event space not included.
- Our prices do not include catering or co-ordination of food. Ensure any catering companies include all cutlery, crockery, glassware, linen, staff and service for the duration of your event. Our preference is for caterers to supply their own mobile facilities, but they can use our kitchen for plating if required.
- Personal decorations and other props must be cleared by check out. All suppliers must take their rubbish with them.
- Outdoor heating in cooler months is not included.
- It is possible to have a helicopter pick up and drop off at Maple Lodge. This quote does not include landing fees by heli companies.
- Toilets: there is just one toilet that is not part of an en-suite bathroom. You may wish to hire additional toilets.
- If you are planning a wedding, we would recommend the help of one of our great local wedding planners to help you with all of the details.
